### CONFIRMED TESTIMONY

#### The Kind Paris Readers Cannot Doubt.

Doan's Kidney Pills have stood the test. The test of time—the hardest test of all.

Thousands gratefully testify. To quick relief—to lasting results. Paris readers can no longer doubt the evidence.

It's convincing testimony—twice told and well confirmed.

Paris readers should profit by these experiences.

Mrs. J. T. Martin, 1024 Main St., Paris, says: "Kidney trouble came on from a fall and the results were very severe, causing me more suffering than the fall itself. No one can ever know what I went through at that time for I suffered awfully. My back ached and pained until I thought it would break in two. Sharp twinges shot through my kidneys and if someone had hit me in the back with a heavy axe, I wouldn't have known the difference. In one week after using Doan's Kidney Pills, I felt like a different woman, for they greatly benefited me." Statement given February 17, 1908.

RESULTS THAT REMAIN.

On November 9, 1916, Mrs. Martin said: "Doan's Kidney Pills have made a cure for me and it has been permanent."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Martin has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y. (adv)

CAPITAL HOTEL WILL NOT BE REBUILT AT PRESENT.

The Capital Hotel, at Frankfort, which was destroyed by fire last April will not be rebuilt in the near future, it was announced Saturday.

All bids which were received for its reconstruction were rejected.

Shortly after the fire, directors of the Hotel Company had intended to begin work of rebuilding the hotel as soon as possible in order to accommodate members of the Legislature when they meet in January. The announcement that the hotel would not be rebuilt at present brings about a grave situation in regard to taking care of the legislators.

ASK ANYONE WHO HAS USED IT.

There are families who always aim to keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house for use in case it is needed, and find that it is not only a good investment but saves them no end of suffering. As to its reliability, ask anyone who has used it.
